## VETERINARY SERVICES NOTICE 00-07

Animal and  
Plant Health  
Inspection  
Service

Subject: Cancellation of Memorandums

Washington, DC  
20250

To: Biologics Licensees, Permittees, and Applicants  
Directors, Center for Veterinary Biologics

### I. PURPOSE

This notice is to inform all interested parties of the cancellation of certain Memorandums that Veterinary Services has determined are obsolete or that have been superseded by publication of applicable regulations in 9 CFR 101-118.

### II. CANCELLATIONS

This notice cancels:

A. Veterinary Biologics Memorandum No. 800.71 entitled "Special Test Requirements for Serum Production Horses" dated December 14, 1988, which was incorporated into 9 CFR 113.450, October 4, 1996;

B. Veterinary Services Memorandum No. 800.72 entitled "Unlicensed Biological Products in Licensed Establishments" dated February 3, 1986, which became obsolete with the completion of the transition period for the implementation of the 1985 amendments to the Virus Serum Toxin Act on January 1, 1991; and

C. Veterinary Biologics Memorandum No. 800.82 entitled "Marek's Disease Vaccines" dated January 19, 1993, which was incorporated into 9 CFR 113.330, July 1, 1996.
