

(Please disregard the comment about the I: drive; the revised appendices are attached to Memo 566.2; you will need to go into that memo. This notice is for information purposes only.)

Veterinary Services Notice 98-07

Subject: Enclosures to Veterinary Services Memorandum No. 566.2

Date: May 7, 1998

To: Directors, VS Regions
Area Veterinarians in Charge, VS

This notice is intended to advise Area offices of changes to the enclosures to Veterinary Services Memorandum No. 566.2, which provides instructions for establishing, maintaining, and modifying State pseudorabies program status. A new National Pseudorabies Control Board checklist and new forms for application to Stages II, III, IV, and V are enclosed with Veterinary Services Memorandum No. 566.2 on the I drive of your office computers.

The new forms and checklist should be used when applying for status or maintenance of status in the National Pseudorabies Eradication Program.
